

20% of every dollar spent the first year your patron signs up will be given back to your program.

- > No cap on the donation.
- > 3% for each year after.

As long as they remain a customer of Bulwark, you will get donation checks for your school.

Bulwark Exterminating wants to give back to the local community through programs that our customers wish to support.

Your program simply needs to provide a link to a Bulwark Exterminating's sign up page, built for each program. Then promote the Give Back offer through event announcements, fliers, letters, and/or emails. Bulwark will track each account and donate to your program on a quarterly bases. Bulwark will send a check with a report containing the patron's names.

Our hope is that with continued support this program will become a constant and reliable revenue stream for your program.
